The past haunts two determined people looking for answers in Paula Graves's next installment of The Gates.

For twenty years, Cain Dennison has been haunted by the death of a young, pregnant girl found murdered at Crybaby Falls. Determined to finally discover the truth and lay the past to rest, Cain quickly discovers he's not the only one looking for answers. Crossing paths with Sara Lindsey at the very spot that has caused so much pain, Cain is stunned to discover an instant and dangerous attraction flaring between them. Their shared goal of finding answers only fuels their passion—and enrages a killer. Before long, they stumble across information that could affect everyone in this small Tennessee town...and bring the real culprit right to their doorstep.
