Emma Sugar and Spice and Everything Nice (Cupcake Diaries Book 15) Coco Simon

Emma puts her big sister skills—and her bravery—to the test when her brother has to stay in the hospital.

Emma's younger brother Jake has been getting sore throats for quite a while. When her parents take him to the doctor, their suspicions are confirmed: Jake needs to get his tonsils out. The Cupcake Club rallies around Jake, and even bakes him a special batch of cupcakes to make him feel better. Emma feels bad for him, but wants to stay as far away from hospitals as possible—she's a bit squeamish and gets woozy at the sight of blood. But Jake throws a fit the day of his operation and says he only wants "Emmy" to stay with him. Emma's mom tells her she doesn't have to stay, but Emma realizes Jake isn't faking; he's really scared. Can Emma get over her own fears in order to help her little brother?
