## **A Firefighter's Tools (Community Helpers and Their Tools)** Devon McKinney

Did someone call a firefighter? Readers will love reading about this high-interest career through the scope of the tools firefighters use. Theyll learn about the special clothing firefighters wear to keep themselves safe, as well as the tools that help them get into buildings and put out fires. Each tool has both a description and an explanation of its function, which are supplemented by vivid visuals to give a concrete understanding of the tool. A graphic organizer ends the book in a way that makes the material memorable. Fascinating facts about firefighters and their tools will spark the interest of even the most reluctant reader.
