## Come Again?: Quotes from the Famous, the Infamous and the Ordinary

How do you get a snapshot of a nation? What's made us cry, laugh and nearly tear out our hair in frustration in the past year? The news comes thick, fast and more ridiculous every day and it's all too easy to forget the headlines that had us nearly crash our cars just a few months ago. And it's even easier to have missed that truly outrageous quote on the inside letters page. This collection of more than 450 quotes tells a story of South Africa right now, in an extensive collection from the anonymous to the contemptuous ("What did YOU do in the war, Jimmy?"). It documents the hopes, fears and funnies of our nation captured through Twitter, Facebook, and good old-fashioned reporting. Put your feet up and get ready to sigh, "Only in South Africa".
