## **GeoPattern Enhanced: Selections from GeoPattern and GeoPattern 2** John Wik

This special edition contains 40 designs from GeoPattern and GeoPattern 2 that have been reformatted to have larger spaces and slightly thicker lines. 20 patterns were carefully selected from each of the first two GeoPattern books. Each of the chosen designs was then scaled up and given a border for a more traditional coloring appearance. The idea was to zoom in on the most detailed patterns in order to provide a series of designs for colorists who like the style of these books, but prefer their designs a little less detailed than those offered in GeoPattern and GeoPattern 2. Each Pattern is printed on one side of the paper for convenient coloring!
