**Hardwired** Trisha Leaver, Lindsay Currie

When Lucas tested positive for the warrior gene—a genetic abnormality believed to predispose humans to violence—he was shipped off to the Bake Shop, an impregnable government facility. There, he underwent a battery of psychological tests aimed at making him crack. Now, labeled safe to return to normal life, he’s ready to put the horrific experience behind him.

Then the van transporting him home is forced off the road by a group of rebels who insist there’s more going on at the facility than anyone knows. To find the truth and save a friend’s brother who’s being held prisoner, Lucas infiltrates the Bake Shop’s inner sanctum. But a power outage leads to a security breach that strands Lucas in the dark . . . with a prison full of potential killers who could snap at any moment.

**Praise:**

“This fast-paced, not-so-distant dystopian futuristic tale will appeal to teen readers. A must-have for libraries seeking dystopian futures.”—*School Library Journal*

### From reader reviews:

#### David Stokes:

Information is provisions for anyone to get better life, information nowadays can get by anyone with everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is within the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Hardwired as the daily resource information.

#### Irene Parker:

Hardwired can be one of your basic books that are good idea. We recommend that straight away because this reserve has good vocabulary that could increase your knowledge in vocabulary, easy to understand, bit entertaining however delivering the information. The writer giving his/her effort to place every word into delight arrangement in writing Hardwired yet doesn't forget the main place, giving the reader the hottest in addition to based confirm resource information that maybe you can be considered one of it. This great information can easily drawn you into fresh stage of crucial imagining.

#### Richard Ortega:

Your reading 6th sense will not betray you, why because this Hardwired reserve written by well-known writer we are excited for well how to make book that may be understand by anyone who have read the book. Written in good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still hesitation Hardwired as good book but not only by the cover but also through the content. This is one reserve that can break don't judge book by its handle, so do you still needing a different sixth sense to pick this kind of!? Oh come on your studying sixth sense already said so why you have to listening to an additional sixth sense.

#### Kate Vasquez:

This Hardwired is great publication for you because the content that is certainly full of information for you who always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great organize word or we can claim no rambling sentences included. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but hard core information with lovely delivering sentences. Having Hardwired in your hand like keeping the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen second right but this guide already do that. So , this really is good reading book. Hey Mr. and Mrs. busy do you still doubt this?
