Pablo González Casanova

La universidad necesaria en el siglo XXI (Problemas De Mexico) (Spanish Edition) Pablo González Casanova

González Casanova parte en este ensayo de la huelga del año 2000 en la UNAM y sostiene que, para su comprensión cabal, ese conflicto debe ser enmarcado dentro de las transformaciones profundas del sistema mundial; desde esa perspectiva, en su opinión, el conflicto apenas comienza. Por ello considera imprescindible ir más allá de la crítica a los proyectos neoliberales, examinar críticamente, también, la “universidad de masas” y los planteamientos educativos de los regímenes estatistas, burocráticos o populistas, y exigirnos la creación de proyectos alternativos.
