It's no mystery that fun and exciting programs bring teens into the library. Theater programs provide a venue for teens to express themselves creatively, encourage their participation in library programming, and offer them the opportunity for lively interaction with peers and adults. In *Library Programs for Teens: Mystery Theater*, Karen Siwak provides readers with complete instructions for creating a successful mystery theater program. With this guide, Siwak solves the ever puzzling programming issues of timing, setting clues, props, costumes, decorations, and food.

In addition to providing a basic formula for such programs, Siwak presents nine original teen-tested scripts—from the intriguing "Medieval Murder" to the hijinks of "Case of the Looney Librarian"—that will appeal to a wide variety of audiences. Reproducible graphics, flyers, bookmarks, invitations, nametags, book tie-ins, and player worksheets are included with each script. Programming is no longer perplexing with this heavily-illustrated collection of original mystery theater scripts for teens. Public and school librarians will find this volume a valuable tool for educational and entertaining programming and also for simply planning a fun party.
