**The companion to the blockbuster bestseller, *Getting Things Done*.**

Since its publication in 2001, *Getting Things Done* has become, as *Time* magazine put it, "the defining self-help business book" of the decade. Having inspired millions of readers around the world, it clearly spoke to an urgent need in an increasingly time-pressured society. Now, in the highly anticipated sequel *Making It All Work*, Allen unlocks the full power of his methods across the entire span of life and work. While *Getting Things Done* functioned as an essential tool kit, *Making It All Work* is an invaluable road map, providing both bearings to help you determine where you are in life and directions on how to get to where you want to go.
