Primo Levi: A Life

Ian Thomson

Primo Levi: A Life Ian Thomson

Primo Levi wrote books that have been called "the essential works of humankind," including *Survival in Auschwitz* and *The Periodic Table*. Yet he lived an unremarkable existence, remaining to his death in the house in which he'd been born; managing a paint and varnish factory for thirty years; and tending his invalid mother to the end. Now, in a matchless account, Ian Thomson unravels the strands of an influential life.
