The Etruscans: A Very Short Introduction (Very Short Introductions) Christopher Smith

From around 900 to 400 BC, the Etruscans were the most innovative, powerful, wealthy, and creative people in Italy. Their archaeological record is both substantial and fascinating, including tomb paintings, sculpture, jewellery, and art. In this Very Short Introduction, Christopher Smith explores Etruscan history, culture, language, and customs. Examining the controversial debates about their origins, he explores how they once lived, placing this within the geographical, economic, and political context of the time. Smith concludes by demonstrating how the Etruscans have been studied and perceived throughout the ages, and the impact this has had on our understanding of their place in history.
