The Shuteyes M. E. Kerr, Mary James

The fantastical story of a lonely eleven-year-old whose parrot takes him on a magical mystery tour of a planet where sleeping is against the law

Chester Dumbello's mom interprets people's dreams. One day a white, one-eyed parrot flies into the Dream Café. Chester's mom says that the day something rhymes with orange, they can keep the parrot. Since nothing does, she comes up with the name Lornge, and the parrot becomes the newest member of the Dumbello family. But there's something odd about Lornge: He never sleeps. (Or as he puts it, "I tell no lies, nor shut my eyes.")

It's summer, and school's out—Chester's favorite time of year because the other kids can't bother him about his unusual mother. But he feels trapped in a tug of war between his aunt Dolly, who wants Chester to visit, and his mom, who doesn't want him to go. Then one night, Lornge takes him to the planet Alert, where sleeping is against the law. Chester is adopted by a family named Quick—boasting a mother *and* a father—and meets all kinds of strange and interesting people. He goes to school, but before long, he is convicted of being a "shuteye" and gets thrown in jail. Suddenly, his home in Lucy, Mississippi, is looking a whole lot better.

This is a wildly inventive novel about a boy who yearns to run away—only to discover that there's no place like home.

This ebook features an illustrated personal history of M. E. Kerr including rare images from the author's collection.

From reader reviews:

Warren Ford:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or their experience. Not only the story that share in the ebooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some analysis before they write to the book. One of them is this The Shuteyes.

Robert Howard:

Exactly why? Because this The Shuteyes is an unordinary book that the inside of the book waiting for you to snap this but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your talent and your critical thinking way. So , still want to hold off having that book? If I had been you I will go to the publication store hurriedly.

Margaret James:

In this period of time globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. Often the book that recommended to you personally is The Shuteyes this publication consist a lot of the information of the condition of this world now. This book was represented so why is the world has grown up. The dialect styles that writer use for explain it is easy to understand. Often the writer made some research when he makes this book. Honestly, that is why this book acceptable all of you.

Beverlee Guthrie:

With this era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple solution to have that. What you have to do is just spending your time not much but quite enough to possess a look at some books. On the list of books in the top record in your reading list is definitely The Shuteyes. This book that is certainly qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking way up and review this reserve you can get many advantages.
