Steven Konkoly

**Black Flagged Alpha (Volume 1)** Steven Konkoly

*"Nobody writes breakneck-paced thrill rides like Konkoly. There are few in the genre who can do it like he does!"*- Russell Blake, bestselling author of the *JET* series and co-author for Clive Cussler.

***Black Flagged Alpha: Book One in the Black Flagged series (Previously Black Flagged)***

Daniel Petrovich, the most lethal operative created by the Department of Defense's *Black Flag Program*, protects a secret buried in the deepest vaults of the Pentagon.

Blackmailed into executing one final mission, Daniel's carefully constructed "life" rapidly disintegrates into a relentless federal manhunt--***and a "24-style" race against the clock to suppress the shocking truth about his past.***

To survive, he'll release the darkest side of his concealed identity. A dark side with few boundaries--and even fewer loyalties.

*Black Flagged* lays the foundation for a gritty, high-octane series exploring the serpentine link between covert operations and government agency politics.

***Fans of Ludlum and Thor alike will revel in this new Black Ops series.***
