H. P. Lovecraft

H. P. Lovecraft's Tales in the Cthulhu Mythos - A Collection of Short Stories (Fantasy and Horror Classics) H. P. Lovecraft

These early works by H. P. Lovecraft were originally published in the first half of the 20th century. As a collection of short stories, this represents Lovecraft's tales in the Cthulhu Mythos, and includes 'The Call of Cthulhu', 'The Dunwich Horror', 'The Shadow Over Innsmouth', 'The Unnamable', and other titles. Born in 1890 in Rhode Island, USA, Lovecraft began writing at a very young age, quickly developing a deep and abiding interest in science. In 1913, Lovecraft joined the UAPA (United Amateur Press Association) but it was four years later, in 1917, that he began to focus on fiction, producing such well-known early stories as 'Dagon' and 'A Reminiscence of Dr. Samuel Johnson'. However, it was during the last decade of his life that Lovecraft produced his most notable works, such as 'the Dunwich Horror' and 'The Call of Cthulhu' which subsequently earned him his place as one of the most influential horror writers of the 20th century. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.
