Introducing the Women's Hebrew Bible (Introductions in Feminist Theology) Susanne Scholz

This book introduces readers to the diverse field of feminist studies on the Hebrew Bible. Not organized as a traditional introduction to the "Old Testament," the manuscript does not follow a biblical book-by-book structure, but provides an introductory survey of the history and issues as they relate to feminist readings and readers of the Hebrew Bible. Accordingly, feminist scholars of the Bible, their career struggles, and biblical texts, characters, and themes stand in the forefront of this introduction. The volume is biased toward "Western" feminist scholarship because of the historical developments of feminist scholarship in general and biblical studies in particular. Yet, the chapters also include African, Asian, and Latin American perspectives on feminist studies of the Hebrew Bible. In short, the book offers an overview on the historical, social, and academic developments of reading the Hebrew Bible as the "Women's Hebrew Bible."

From reader reviews:

David Martin:

Reading a book to become new life style in this season; every people loves to go through a book. When you examine a book you can get a great deal of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. In order to get information about your review, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, along with soon. The Introducing the Women's Hebrew Bible (Introductions in Feminist Theology) provide you with new experience in studying a book.

Stephanie Armstrong:

Is it you actually who having spare time then spend it whole day by watching television programs or just lying on the bed? Do you need something new? This Introducing the Women's Hebrew Bible (Introductions in Feminist Theology) can be the response, oh how comes? A fresh book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these books have than the others?

Marylou Standley:

A lot of publication has printed but it takes a different approach. You can get it by web on social media. You can choose the most effective book for you, science, witty, novel, or whatever by simply searching from it. It is known as of book Introducing the Women's Hebrew Bible (Introductions in Feminist Theology). You can include your knowledge by it. Without making the printed book, it could possibly add your knowledge and make a person happier to read. It is most important that, you must aware about book. It can bring you from one place to other place.

Dwight Roberts:

What is your hobby? Have you heard this question when you got students? We believe that that query was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person including reading or as studying become their hobby. You need to understand that reading is very important along with book as to be the issue. Book is important thing to increase you knowledge, except your own teacher or lecturer. You discover good news or update about something by book. Different categories of books that can you go onto be your object. One of them is Introducing the Women's Hebrew Bible (Introductions in Feminist Theology).
