Just-in-Time Management: Over 950 Practical Lessons Your MBA Professor Didn't Teach You Cy Charney, Cyril Charney

It's not that Cy Charney *opposes* MBA and other types of academic training. It's just that he feels academic training doesn't go far enough -- that it fails to prepare people for what life as a manager is *really* like.

Now Charney has published the ninth book in his lifelong campaign to bridge this gap -- a gap that he believes is particularly challenging in today's instant, multi-tasking, change-intensive world of work.

In *Just-in-Time Management*, he shares 950-plus pieces of practical advice under the headings of:

- Be Productive
- Increase Your Influence
- Inspire and Motivate Staff
- Manage Effectively Every Day
- Deal with Employee Challenges
- Lead Strategically
- Take Care of Yourself
