Mist of the Morning Jenny Glazebrook

In this, the fourth book in the Aussie Sky Series, Misty Clements faces a disturbing secret, a dying brother, and a difficult decision.

Misty has always been clumsy. Even as a child growing up in the circus she was accident prone. So why can she balance perfectly on the back of a cantering horse?

Roy Haydeen can't work out if she is extremely clever and manipulative or if she is as lost and alone in the world as she seems. But he could never have guessed the secret Misty is hiding from him, the secret that's keeping her from God and threatening the future of everyone she loves.

The Aussie Sky series includes six novels about a lovable ex-circus family and the lives they touch. Each novel focuses on a different member of the unusual, horse-crazy Clements family, their struggle to fit into everyday Aussie life and their relationship with God.
