**Whatever It Takes: Illegal Immigration, Border Security, and the War on Terror** J.D. Hayworth, Joseph J. Eule

What should we do to solve America's border crisis? Whatever it takes! That's the no-nonsense approach of Arizona congressman J. D. Hayworth, one of America's most outspoken and eloquent conservative spokesmen. J. D. has walked the border and seen firsthand the devastation that illegal immigration inflicts on law-abiding Americans. He's read the intelligence reports, talked to the Border Patrol and the Marines, and knows how intolerable illegal immigration is in a post-9/11 world.

In *Whatever It Takes*, you'll learn how illegal immigration steals jobs from American workers and reduces their pay, how illegal immigrants often take advantage of health and education benefits at the expense of American citizens, how illegal immigrants are hastening the downfall of Social Security, and how can we prevent the next 9/11.
