God's Yes Was Louder Than My No: Rethinking the African American Call to Ministry

William H. Myers

God's Yes Was Louder Than My No: Rethinking the African American Call to Ministry William H. Myers

"An outstanding study of the call to ministry among African American clergy. This is the broadest and deepest study of African American call stories and narratives ever written . . . Myers has placed the call narratives and stories in theoretical perspective, relating them to the traditions of hermeneutics and theological reflection. Highly recommended."--Lawrence H. Mamiya, Vassar College.
