Going Down Slow John Metcalf

First published in 1972, *Going Down Slow* is an intense and very funny novel about one mans attempt to maintain his sanity, and his sense of humour, in the face of mounting odds. Metcalf's young hero, David Appleby, a young school teacher just over from Britain, is pitted against small-mindedness, prejudice, and temptations that are generations old. The writing is, as one would expect of anything by Metcalf, of the highest order. *Going Down Slow* is a sharp and biting satire, and an unforgettable novel.
