If Nick Hornby had a metalhead little brother, he'd write a book as clever, music-drenched, and observationally direct as this, Christopher Krovatin's rock-solid PUSH debut.

Boy listens to lots of loud music and hangs with his friends. Boy meets girl. Boy falls dippy-happy-scared-as-hell in love with girl. Friends meet girl -- and aren't impressed. Girl meets friends -- and isn't impressed. Boy meets big dilemma. Boy plays music even louder. Big dilemma meets big, complicated resolution.

With humor and heartfelt observations, debut author Christopher Krovatin strikes some very loud chords about life, love, sex, and friendship.
