La sombra de Beethoven (Kindle Single) (Spanish Edition)

Jonathan Biss

La sombra de Beethoven (Kindle Single) (Spanish Edition) Jonathan Biss

El pianista americano Jonathan Biss es famoso ante el público de todo el mundo por su arte, inteligencia musical e interpretaciones de gran sentimiento.

Lo que hasta hace poco no se conocía tanto es que Jonathan Biss escribe sobre la música de modo absorbente e interesante. Para cualquiera que alguna vez haya disfrutado de un concierto o de una grabación de Beethoven o alguna de las numerosas películas sobre el compositor, este libro en formato Kindle Single es una inspiradora experiencia de lectura. Para aquellos que hayáis escuchado a Beethoven en concierto o una grabación del compositor, Jonathan Biss os lleva entre bambalinas de esas interpretaciones. Si vuestros intereses musicales son mucho más amplios que Beethoven o si vuestros intereses se centran en el proceso creativo, este libro en formato Single os llenará por completo.

“El 24 de abril de 2007, la Sonata Opus 109 de Beethoven me hizo perder la cabeza.”

Así inicia Jonathan Biss este libro.

Continúa describiendo todo el complejo y positivo efecto de la tecnología del proceso de grabación en la experiencia de interpretar y escuchar música. También describe el legado de las generaciones de profesores. Te permite sentir el momento en que Leon Fleisher enseña a Jonathan Biss, igual que cuando Artur Schnabel enseñaba a Leon Fleisher antes que este. Experimentas el crecimiento de un joven músico de talento hasta convertirse en un artista completamente maduro. Y lo más absorbente de todo, Jonathan Biss crea una introducción casi espiritual de la creación y la experimentación de la música. De hecho, invita al lector a adentrarse en el mundo del compositor y del intérprete.

Jonathan Biss incluye una guía de audio con anotaciones para profundizar en la experiencia de cualquier lector que disfrute escuchando música clásica.

Se trata de una experiencia inolvidable.

Jonathan Biss inició recientemente un proyecto de nueve años para grabar las 32 sonatas de piano de Beethoven. Onyx Classics lanzó el primer CD del proyecto con cuatro sonatas el 9 de enero de 2012.
