Rilke's Connections to Nietzsche

Richard Detsch

Rilke's Connections to Nietzsche Richard Detsch

The first two chapters demonstrate that the acquaintance the 19-year-old Rilke claims to have had with Nietzsche's essay *On the Use and Disadvantage of History for Life* provides a key to understanding Rilke's lifelong preoccupation with relics of the past and his antipathy toward the present. The third and fourth chapters involve a close reading of various Rilke poems reflecting elements of Nietzsche's *Thus Spake Zarathustra*. The fifth chapter deals with certain recurring Rilkean motifs in their relationship, specifically, to Nietzsche's eternal return. The sixth chapter treats Nietzsche's *The Birth of Tragedy* and Rilke's commentary on this work.
