The central element of Jewish worship is the yearly cycle of reading the first five books of the Bible, the Five Books of Moses, called the Torah in Hebrew. *Torah Today*, a compilation of fifty-four essays that grew out of Pinchas Peli's Torah column in the *Jerusalem Post*, comments upon the weekly readings from the Torah. Written in a wonderfully clear style, each essay brings the reader closer to the rich spiritual world of Torah as it confronts the challenges of modern society. This reissue of *Torah Today*, with a new preface by Rabbi Harold M. Schulweis, makes this classic work available to a new generation of Bible students.
