Bowie on Bowie presents some of the best interviews David Bowie has granted in his near five-decade career. Each featured interview traces a new step in his unique journey, successively freezing him in time in all of his various incarnations, from a young novelty hit-maker and Ziggy Stardust to plastic soul player, 1980s sell-out, and the artistically reborn and beloved elder statesman of challenging popular music. In all of these iterations he is remarkably articulate and also preternaturally polite as almost every interviewer remarks upon his charm. The features in this book come from outlets both prestigious—Melody Maker, MOJO, New Musical Express, Q, *Rolling Stone*—and less well-known—*the Drummer*, *Guitar*, *Ikon*, *Mr. Showbiz*—but no matter the renown of the magazine, newspaper, or website, Bowie lets us approach the nerve center of his notoriously creative output.
