Ceremonies of the Dead Giles Benaway

Ceremonies for the Dead is an award-winning collection of poems that examine the haunting themes of inter-generational trauma, cyclical abuse, and inherited grief. Four generations of the dead take turns narrating these themes, navigating from the Great Lakes through the Appalachian Mountains, and examining the fur trade, an exile from Minnesota, the experiences of West Virginia coal miners, and the legacy of mission schools. Black humour and satire fill the collection, illuminating a fierce determination to survive and resist colonization and the endurance of culture and identity under extreme duress.
