Cultura y política del anarquismo en España e Iberoamérica (Ambas Orillas) (Spanish Edition)

Cultura y política del anarquismo en España e Iberoamérica (Ambas Orillas) (Spanish Edition)

Este libro propone estudiar la gestación de ricas y variadas manifestaciones culturales que otorgaron al anarquismo y a sus militantes un perfil propio. La cultura libertaria entretejió procesos ideológicos y prácticas políticas y organizativas con costumbres, ritos, lenguajes y símbolos y éstos a su vez con discursos, imaginarios y sociabilidades estrechamente imbricados con la comunidad y la clase. Todo ello se difundió en medios tan diversos como las artes gráficas, los impresos, la educación, los congresos, la música, el teatro y las actividades de esparcimiento, entre otros. Los trabajos aquí reunidos examinan esa cultura desde su gestación en España y su desarrollo en Iberoamérica hasta los años de la primera Guerra Mundial. Con base en diversas fuentes documentales y hemerográficas, los autores han estudiado la complejidad, la riqueza y a menudo las contradicciones que surcan el desarrollo del anarquismo en el mundo ibérico. En este sentido, esta obra demuestra la posibilidad de consolidar una nueva agenda de investigación sobre aspectos menos conocidos del anarquismo en España e Iberoamérica.
