Two tales of a Predator past. As the Civil War rages and conflict destroys towns and families, the struggle serves as bait . . . bait for a Predator. When two opposing bands of soldiers bear witness to the Predator's gruesome atrocities, they realize they have an enemy greater than each other. And in the year 1718, a group of pirates fight over buried treasure, but their struggle is not unobserved. This creature also looks for treasure, but treasure with a beating heart!
