**The Family Orchard: A Novel (Vintage International)** Nomi Eve

In the bestselling tradition of **The Red Tent**, **The Family Orchard** is a spellbinding novel of one unforgettable family, the orchard they've tended for generations, and a love story that transcends the ages.

Nomi Eve's lavishly imagined account begins in Palestine in 1837, with the tale of the irrepressible family matriach, Esther, who was lured by the smell of baking bread into an affair with the local baker. Esther passes on her passionate nature to her son, Eliezer, whose love for the forbidden Golda threatened to tear the family apart. And to her granddaughter, Avra the thief, a tiny wisp of a girl who thumbed her nose at her elders by swiping precious stones from the local bazaar-and grew to marry a man she met at the scene of a crime. At once epic and intimate, **The Family Orchard** is a rich historical tapestry of passion and tradition from a storyteller of beguiling power.

*From the Trade Paperback edition.*
