## **The Watcher: A Library of America eBook Classic** Dolores Hitchens

“The fact is that during the last year I have killed three young people”: A pleasant waterfront community in California is subjected to a series of seemingly random killings, the victims all children. Dolores Hitchens’ intricately plotted novel explores a town’s collective terror, as the inhabitants slowly come to realize that one of their neighbors is engaged in a terrible and protracted campaign of murder for motives impossible to guess. *The Watcher* expertly explores the resulting mood of anguish and mutual suspicion, and the vulnerability of the young people who are the inexplicable targets of violent evil.
