## **Lucy** Laurence Gonzales

Laurence Gonzales's electrifying adventure opens in the jungles of the Congo. Jenny Lowe, a primatologist studying chimpanzees—the bonobos—is running for her life.

A civil war has exploded and Jenny is trapped in its crosshairs . . . She runs to the camp of a fellow primatologist.

The rebels have already been there.

Everyone is dead except a young girl, the daughter of Jenny's brutally murdered fellow scientist—and competitor.

Jenny and the child flee, Jenny grabbing the notebooks of the primatologist who's been killed. She brings the girl to Chicago to await the discovery of her relatives. The girl is fifteen and lovely—her name is Lucy.

Realizing that the child has no living relatives, Jenny begins to care for her as her own. When she reads the notebooks written by Lucy's father, she discovers that the adorable, lovely, magical Lucy is the result of an experiment.

She is part human, part ape—a hybrid human being . . .

Laurence Gonzales's novel grabs you from its opening pages and you stay with it, mesmerized by the shy but fierce, wonderfully winning Lucy.

### From reader reviews:

#### **Melissa Wilcox:**

Here thing why this specific Lucy are different and trusted to be yours. First of all reading through a book is good nonetheless it depends in the content of computer which is the content is as yummy as food or not. Lucy giving you information deeper and different ways, you can find any e-book out there but there is no publication that similar with Lucy. It gives you thrill studying journey, its open up your own personal eyes about the thing that will happened in the world which is possibly can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your means home by train. When you are having difficulties in bringing the printed book maybe the form of Lucy in e-book can be your option.

#### **Karen Wells:**

Now a day folks who Living in the era just where everything reachable by interact with the internet and the resources included can be true or not call for people to be aware of each information they get. How individuals to be smart in having any information nowadays? Of course the correct answer is reading a book. Looking at a book can help men and women out of this uncertainty Information mainly this Lucy book because book offers you rich details and knowledge. Of course the information in this book hundred per cent guarantees there is no doubt in it you know.

#### **Evelyn Nay:**

Information is provisions for those to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even a concern. What people must be consider any time those information which is inside the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you receive the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Lucy as your daily resource information.

#### **Raymond Murray:**

Some people said that they feel uninterested when they reading a publication. They are directly felt the item when they get a half elements of the book. You can choose often the book Lucy to make your current reading is interesting. Your skill of reading expertise is developing when you including reading. Try to choose basic book to make you enjoy you just read it and mingle the impression about book and reading through especially. It is to be 1st opinion for you to like to wide open a book and study it. Beside that the guide Lucy can to be your new friend when you're feel alone and confuse in doing what must you're doing of the time.
