Viburnums: Flowering Shrubs for Every Season Michael A. Dirr

With their abundance of flower, handsome foliage, robust constitution, and frequently stunning fruits, viburnums are among the most beautiful and versatile hardy shrubs available to gardeners. Yet despite these outstanding qualities, there has never been an entire volume devoted to them—until now. In this definitive, comprehensive, generously illustrated guide, internationally renowned woody plant expert Michael Dirr provides a wealth of information about every species and cultivar worthy of horticultural consideration. Never one to pull punches, Dirr bestows praise on viburnums that deserve it and is frank in his evaluation of other plants' occasional shortcomings. These finely judged appraisals make it easy for the gardener or designer to choose the right plant for the right situation.

Whether you're a home gardener in search of a four-season shrub; a nursery professional seeking woody plants with proven appeal; or a designer looking for specimens that are both functional and guaranteed to impress clients, *Viburnums* will acquaint you with a group of plants capable of meeting all these requirements.

Michael Dirr has said that a garden without viburnums is like a life without the pleasures of music and art. After reading just a few pages of this unparalleled work, you're sure to agree.
