From the Preface : "Tricia Jenkins, author of The CIA In Hollywood, told DailyMail.com she has recently acquired new evidence showing how the CIA worked off-the-books to influence Hollywood scripts to an extent never previously known. She said: 'In this documentation, concerning one major Hollywood movie, it is clear that the CIA functioned as the principle partner in shaping the original script and its influence exceeded that which would have been filled by an aggressive producer or studio executive.'"

Confused about the script?

You won't be.
