After Death, What? William B. Ward

Life's meaning is determined by what we believe about death and the next life, says the author. If the future is a blank for us, then life is meaningless. In this context Dr. Ward discusses questions such as; How can we be sure there is a future life? What becomes of persons immediately after death? Is there a purgatory? Can a loving God condemn anyone to hell? What is heaven like? Using everyday language, Dr. Ward explains Christian teachings about life after death in contrast to those of secular philosophies and non Christian religions. After Death, What? wil help men and women find direction as they ponder the mystery of death and what lies beyond. For those who have experienced a death in their home, its analysis of grief and suggestions for the Christian funeral make this book a valuable gift.
