## **Bloody Rome (Italian Edition)** Agostino Palmisano

L'ispettore Marcus Conti Perez lavora in una Roma post-epidemia sanificata grazie al vaccino che immunizza dal Solanum, il terribile virus che ha riportato in vita i morti e che per poco non ha spazzato via l'intera umanità. Il vaccino ha funzionato, ma a lungo termine gli effetti collaterali potrebbero essere peggiori della piaga. Anche Marcus, attraverso la lenta necrosi della gamba, comincia a subirli. Intanto però la "vita" continua e, mentre gli zombi veri, "i rossi", sono scomparsi, la popolazione umana al di sopra dei vent'anni si è trasformata in qualcosa di diverso. Nella Città Eterna, Marcus viene chiamato a indagare su uno strano caso: una stanza d'albergo colma di cadaveri che, apparentemente, si sono sbranati a vicenda. Eppure dovrebbero essere tutti immuni dalla malattia. Comincia da qui la difficile ricerca di una verità che lo porterà a scoprire una terribile organizzazione intenta a diffondere una versione del Solanum potenziata e ancora più letale. Tra colpi di scena, azione e depistaggi, una storia emozionante, intensa, che rivela un personaggio molto particolare, assolutamente fuori dalle righe, in un'atmosfera dalle tinte cupe e apocalittiche.
