La mitología templaria (Spanish Edition) Jesús Ávila Granados

"Una obra de referencia sobre la orden religioso-militar más esotérica, misteriosa y sorprendente de todos los tiempos".

Desde su fundación en el siglo XII, los templarios han fascinado a todo aquel que ha sabido de su existencia. La disolución de la Orden hace 700 años, lejos de relegarlos al olvido, incrementó el interés por estos enigmáticos caballeros religioso-militares.

Jesús Ávila Granados, reconocido estudioso de la Orden del Temple, ha seguido sus pasos allá donde los templarios estuvieron presentes, y fruto de su constante trabajo surge La mitología templaria, una obra que se adentra en los enclaves más emblemáticos de la Orden y llega hasta los más desconocidos, convirtiéndose en un libro imprescindible para quienes quieran conocer fielmente los pasos de los templarios y su legado, cargado de una profunda filosofía iniciática y de fascinantes leyendas que han contribuido a aumentar el halo de misterio que siempre los ha rodeado.

El libro incluye numerosas imágenes, un santoral templario, la cronología de la Orden, información sobre todos los grandes maestros y un completo diccionario de términos.
