Rumi y su senda sufi de amor (Spanish Edition) M.Fatih Citak, Huseyin Bingul

This collection of articles by artists, philosophers, psychologists, and social scientists explores the Sufi tradition and its best-known teacher, Rumi, a 13th-century poet, jurist, and philosopher. Setting aside the standard account of Rumi as a poet of mystic love, these contributors view his writings in a historical context, investigating Sufism's ties to Islam and the teachings of the Prophet Mohammad and tracing Rumi's influence on Persian and Turkish literature. The reasons why Sufism has transcended national boundaries and sectarian strife so successfully are also debated, and several contributors recommend the Sufi message of faith, love, and tolerance as a useful common ground for dialogue between religious groups.

Esta coleccion de articulos reúne a científicos sociales, estudiosos islámicos, académicos, filósofos y psicólogos de una gran variedad geográfica sin precedentes. Organizada en torno a tres temas, esta coleccion proporciona al lector una vision universal del mensaje de Rumi. Es el momento oportuno, en el período post 11-S, para comunicar más el pensamiento de Rumi ya que representa un terreno común para el dialogo y entendimiento mutuo.
