Snowball's Chance (Neversink) John Reed

This unauthorized companion to George Orwell's *Animal Farm* is a controversial parable about September 11th by one of fiction's most inventive and provocative writers

Written in 14 days shortly after the September 11th attacks, *Snowball's Chance* is an outrageous and unauthorized companion to George Orwell's *Animal Farm*, in which exiled pig Snowball returns to the farm, takes charge, and implements a new world order of untrammelled capitalism. Orwell's "All animals are equal, but some animals are more equal than others" has morphed into the new rallying cry: "All animals are born equal—what they become is their own affair."

A brilliant political satire and literary parody, John Reed's *Snowball's Chance* caused an uproar on publication in 2002, denounced by Christopher Hitchens, and barely dodging a lawsuit from the Orwell estate. Now, a decade later, with America in wars on many fronts, readers can judge anew the visionary truth of Reed's satirical masterpiece.

From the Trade Paperback edition.
