Titanic: Triumph and Tragedy

John P. Eaton, Charles A. Haas

Titanic: Triumph and Tragedy John P. Eaton, Charles A. Haas

First published in 1986, revised and expanded in 1995, this book has been called "the definitive history" of the Titanic.

Continuing interest in the ill-fated vessel has been heightened in recent years by the dramatic events including the discovery of the wreck, new speculation on the Californian's failure to rescue the Titanic, and the recovery of artifacts from the disaster site. All are chronicled in a new chapter which, with a section of completely up-to-date color photographs, makes this edition a must.
