Tom Hargraves

This is a story of Tom, and this laid-off software engineers' trip around the North end of Vancouver Island. It is a story of naivety, ineptitude, and surprisingly, success. I hope this book will not only entertain you, but will inspire you to liven up your dull life and do something stupid. The book contains maps to guide you and photos of things to see along the way. It's a trip to tone your body. Loose 20lbs AND convert more to attractive suntanned muscle! You'll have at least one good story to amaze your grandchildren as you rock in your chair and sip your beer.
