**Camping! Washington: The Complete Guide to Public Campgrounds for RVs and Tents** Ron C. Judd  
"Washington is the Disneyland of American camping," declares Ron C. Judd in *Camping! Washington*, a comprehensive, newly revised guide to the Evergreen State's more than 600 Forest Service, national park, and state park campsites. Written by a Washington native and the outdoor columnist for *The Seattle Times*, this evaluative guide -- the only one of its kind -- helps campers choose where to pitch their tent, park their VW bus, or hook up their RV according to a rating system. Similar to star ratings for hotels, Judd rates Washington's public campgrounds on a scale of one to five "trees." He then gives the lowdown on what facilities are available for RVs, trailers, and tents, with specific information on hookups, restroom facilities, showers, seasonal closures, reservations, directions, and more. This edition contains 30 percent new material including more photographs and descriptions of 15 additional campgrounds. Organized by highways for easy traveling, *Camping! Washington* features keyed maps for each region, quick reference icons, and special indexes.
