A time to heal

The scum of the earth—that's how Nikki Petersen saw the cowboy who'd broken her heart four lonely years ago. Then suddenly, Cully Bowdrie becomes the only man who can help her. And when the guarded man walks into her little sister's hospital room, Nikki sees that he isn't the same man she once knew...and that she isn't the only one in pain.

As secrets and regrets smolder between them, they work to save the little girl's life. During their desperate venture, Nikki and Cully are drawn to each other, as they've always been. But will history repeat itself, or has their brush with life and death made them accept a love that never really died?
