Journey to the Well: A Novel Diana Wallis Taylor

She went to the well for water. What she found there would change her life forever.

Marah is a young girl in love with her childhood friend, Jesse. When she is forced to marry an older man, she must abandon her dreams of happiness. At the mercy of men who are often only interested in using her, Marah must fight for survival. Will she ever meet a man who can save her?

The story of the Samaritan woman at Jacob's well is one of hope, redemption, and a life changed in an instant through a remarkable encounter. Jesus told her "everything she'd ever done," but we are left to wonder at the circumstances that led her life on such a tragic path to begin with. Now from the creative mind of Diana Wallis Taylor comes the full story of the woman at the well.

This well-researched portrayal of a woman's life in the time of Jesus opens a window into a fascinating world. Taylor's rich descriptions of the landscapes, lifestyles, and rituals mesh easily with the emotional and very personal story of one woman who desperately seeks to rise above the difficult circumstances of her life.

Diana Wallis Taylor is an inspirational speaker and has taught writing and poetry workshops. She has published articles and short stories and is an award-winning poet and songwriter. She lives in California.

From reader reviews:

Beatrice Pearson:

In other case, little persons like to read book Journey to the Well: A Novel. You can choose the best book if you like reading a book. So long as we know about how is important the book Journey to the Well: A Novel. You can add know-how and of course you can around the world by a book. Absolutely right, mainly because from book you can know everything! From your country until finally foreign or abroad you will be known. About simple thing until wonderful thing you are able to know that. In this era, we can open a book as well as searching by internet gadget. It is called e-book. You need to use it when you feel weary to go to the library. Let's learn.

Jamey Ainsworth:

What do you about book? It is not important together with you? Or just adding material when you need something to explain what your own problem? How about your spare time? Or are you busy person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They need to answer that question due to the fact just their can do that will. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need this specific Journey to the Well: A Novel to read.

Charles Krueger:

Nowadays reading books be than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The info you get based on what kind of e-book you read, if you want drive more knowledge just go with education books but if you want really feel happy read one along with theme for entertaining for example comic or novel. The Journey to the Well: A Novel is kind of publication which is giving the reader unstable experience.

Debra Davin:

A lot of people always spent their very own free time to vacation or even go to the outside with them family or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity that's look different you can read a book. It is really fun in your case. If you enjoy the book you read you can spent all day every day to reading a e-book. The book Journey to the Well: A Novel it doesn't matter what good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. If you did not have enough space to develop this book you can buy often the e-book. You can m0ore simply to read this book from the smart phone. The price is not very costly but this book features high quality.
