Surviving Stalking is a practical and comprehensive 2002 survival manual for victims of stalking and related crimes. It offers sound, realistic, practical advice to victims and also gives guidance through each stage of the criminal justice processes in America, Britain and Australia. Using case descriptions, Michele Pathé describes the traumatic effects of stalking, the course of these symptoms, and how best to access psychological care and support. It is the first comprehensive book for a general readership providing a contemporary account of victim types, stalker types, stalkers' motives, strategies to prevent and overcome stalking, and a list of the resources available to victims of stalking. Surviving Stalking will be of great interest not only to those who have been or are being stalked, but also to the health, law enforcement and legal professionals who work with stalkers and their victims.
