*'He jumped down to the wharf and walked alone out of the torchlight to stand behind Letty. Frances looked from his face to her sister's, and once again felt the weakening flush of fear. She was too much at the mercy of her company, and was about to discover which of her unpredictable selves would advance to meet these two strangers.'*

The penal colony of Moreton Bay is under the command of Patrick Logan, a man not afraid of brutal discipline. But his rule is being questioned and the arrival of his sister-in-law Frances will change everything.

*The Commandant*, with an introduction by Carmen Callil, is an unforgettable tale of power, duty and humanity.

'Quietly astonishing: enthrals, entertains and gratifies on every level.' Helen Garner
