The Phantom Menace: Star Wars: Episode I Terry Brooks
#1 NEW YORK TIMES BESTSELLER

A long time ago in a galaxy far, far away, an evil legacy long believed dead is stirring. Now the dark side of the Force threatens to overwhelm the light, and only an ancient Jedi prophecy stands between hope and doom for the entire galaxy.

On the green, unspoiled world of Naboo, Jedi Master Qui-Gon Jinn and his apprentice, Obi-Wan Kenobi, arrive to protect the realm's young queen as she seeks a diplomatic solution to end the siege of her planet by Trade Federation warships. At the same time, on desert-swept Tatooine, a slave boy named Anakin Skywalker, who possesses a strange ability for understanding the "rightness" of things, toils by day and dreams by night—of becoming a Jedi Knight and finding a way to win freedom for himself and his beloved mother. It will be the unexpected meeting of Jedi, Queen, and a gifted boy that will mark the start of a drama that will become legend.

Features a bonus section following the novel that includes a primer on the *Star Wars* expanded universe, and over half a dozen excerpts from some of the most popular *Star Wars* books of the last thirty years, plus a brand-new Darth Maul short story by *New York Times* bestselling author James Luceno!
