Bent Object of My Affection: The Twists and Turns of Love Terry Border

Following the success of the wonderfully wacky and playful *Bent Objects*, this charming gift book from the offbeat mind of Terry Border features 60 new wire-based creations that seek to express the many wonders and reasons for love. Everyday objects like raisins, cupcakes, pears, and puzzle pieces take center stage as they're bent into clever visual vignettes that provide a new perspective on that ever-elusive emotion. Each photograph is accompanied by a sweet caption that is sure to evoke that warm, fuzzy feeling inside, but with the author's signature ironic twist.

In the tradition of bestselling humorous photography books featuring artful creations with food such as *Hello Cupcake!* and *Cake Wrecks*, this book will surprise and delight with every spread. And with its affordable price point and gifty trim size, *Bent Object of My Affection* is the perfect present for loved ones on Valentine's Day, for anniversaries, or "just because."
