Carl Jung, Hauntings, and Paranormal Coincidences Doug Fredric Dillon

This is a book of true life events, stories taken from Carl Jung's life and the lives of others that vividly demonstrate our potential to connect with unseen worlds. Jung's experiences, because of his fame as a world renowned psychiatrist, set the stage for the presentation of all paranormal adventures offered here. And his fascinating theory of synchronicity serves to give a depth of meaning to the nature of all strange coincidences, including those woven into the enclosed chapters.
