Excerpt from Chow-Chow, Vol. 2 of 2: Being Selections From a Journal Kept in India, Egypt, and Syria, 1867

During the monsoon, and particularly near Guneskondy, we often see an encampment of wild-looking men, women, and still wilder, untameable, little children.

They are called Weyds, and are aboriginal, with a language distinct from all other Hindoo dialects. They carry about medicines for sale to the neighbouring villages. I have frequently met them on the plains, when they used to show me their medicines, principally powdered herbs - some in gourds, others in cocoa-nut shells.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
