*John Graves*

**From a Limestone Ledge: Some Essays and Other Ruminations about Country Life in Texas** John Graves

"Another fine, reflective, anecdotal look at rural Texas." —*New Yorker*

"Graves writes eloquently about a countryman's concerns. There's not a false note in the book." —*Boston Globe*

"Like the unmortared stone fences of Graves's native hill country, *From a Limestone Ledge* is constructed of bits and pieces never designed to fit together, yet made to achieve a unity that is more enduring than the sum of its individual parts by the hands of a master craftsman." —*Southwestern Historical Quarterly*

"The beauty of his work endures, and there is a greater pride in Texans' hearts for their home, I think, than there would be if he hadn't written the books he did." —Rick Bass, *Garden & Gun*

"In describing the particulars of his surroundings, Graves often was describing the world in microcosm and the place and plight of humankind in it." —Bryan Woolley, *Dallas Morning News*
